

Social Media Check

Log out of all your social media profiles.

Google yourself to make sure you aren't missing any!
(MySpace: still a thing.)

Check out each account as a random (unlogged in) internet person. Check for**:

Profanity

Political Stuff

Grammar

Drug/Alcohol Use

Sexual Content

Violence/Weapons

Party Pictures

Delete content you don't like, or lock down your privacy settings (whatever you prefer.)

**Remember, everyone has different personal standards. You never know what a recruiter might find objectionable. Make choices that reflect your values and your risk tolerance.
